### WHAT OUR PARTNERS SAY

"I'm not sure we would have been able to keep our academic program going through the pandemic without their platform and support."

**Keith Crawford, Program Director CAVE - Chico Unified School District**

"GoSchoolBox has been a lifesaver. The ability to quickly manage users, schedule sessions, pop in to sessions, and view all chats and recordings as needed is all that we could ask for and more."

**Jenesa Hefler, Director - ENP**
